Dear Ms. Han,

Congratulations on the National Association of Women Business Owners' (NAWBO) 35th Anniversary! NAWBO's unwavering dedication to women business owners as an advocate, guide and coach has made a significant impact on the entire small business community and the National economy.

Your association has hit a significant milestone and we look forward to celebrating this tremendous occasion with you and at the Women's Business Conference this coming June.

Again, congratulations on 35 successful years and best wishes from the entire U.S. Small Business Administration (SBA) for many more years to come!
